COMMENTS:

The April 19, 2007, amendments deleted the income tax provisions that would have allowed a credit for qualified professionals who volunteer to provide instruction at low-performing schools. The amendments added language that would express the intent of the Legislature to establish a minimum standard of ethical behavior for student financial aid personnel at California colleges and universities. As a result of the amendments, this bill no longer impacts the department's programs and operations or state income tax revenue. The department's analysis of the bill as introduced February 23, 2007, no longer applies.
